

# **Black Dog Rescue Project**

# **BLACK DOG WALK**

**Walk for a Cause... Save a Dog!**  
**Downtown Ogden**  
**Saturdays at 10:00 a.m.**

Come Join Our Pack each Saturday morning at 10:00 am.  
Our walk starts and finishes in front of Grounds for Coffee  
at 111, 25<sup>th</sup> Street, Downtown Ogden.

Do you have a black dog? Could you borrow a black dog?  
Are you interested in adopting a black dog?

Did you know that homeless black dogs are the last to be adopted?

Do you want to help change the odds for black dogs in our community?

Come and meet other dog lovers while walking your dog around historic downtown Ogden. This is a wonderful way to help spread the word about Black Dog Syndrome while socializing and exercising your dog.

All shapes and sizes of pooches and people are welcome.  
We encourage area shelters and rescue groups to bring  
black dogs that are in need of forever homes.  
The larger the crowd, the more awareness we will bring  
and more black dogs will beat the odds.

**Mark Your Calendar! See You There!**
